

OH Principal Updates

PTO Meeting - May 19, 2017

May STAR/Student Data Folders

- May 8th - 19th Students complete STAR Reading & Math Assessments (one per week)
- Teacher-student conferences to be completed by May 31st, reviewing / celebrating growth and identifying areas of opportunity for the future
- K-5 Students bring student data folder home by May 31st to share with parents and return to teacher with parent signature.
- Folders passed on to next year's teacher.

Class Roster Creation/Parent Requests

- New data driven process (quantitative and qualitative) designed with a focus on achieving balanced classrooms and meeting the diverse needs (academic, behavioral, and social) of all learners
- Process will involve and consider feedback of all teachers, including specialists (special area, education support, speech, reading support, math support, counselor, behavioral specialist, ESL, nurse)
- Committee of 12-14 administrators & specialists processing data, reviewing teacher feedback, creating rosters

Class Roster Creation/Parent Requests

- Parent feedback regarding *student learner profile* is invaluable.
- Parent letters should be student-centered (focused on effective instructional practices and/or classroom management techniques that best meet your child's needs)
 - *Should not indicate preferences for/against a specific teacher or that certain students be placed together/apart.*
 - *Parents should only submit a student learner profile letter to Mrs. Batis (Kristy_Batis@fcasd.edu) if there is data/information the current teacher, counselor, and/or administrators are unaware of.*
 - *Questions/concerns - Please contact Mrs. Batis.*
 - *Due Date: Friday, May 26, 2017*
- Committee of 12-14 administrators & specialists will review parent feedback regarding student learner profiles.
