

PTO General Meeting

5-13-26

Principal's Update:

Thank you so much for all you have done this year to support our kids and staff! We have had a wonderful response for learner profiles. Thank you so much - this is a great start to getting our rosters ready for next year. PSSAs are all done - hopefully they all went well for your students. We do not know when the scores will be reported to you. K-2 takes ones final star test this year because they do not take the PSSAs. We are excited for all the fun events that are coming up here at the end of the school year. Thank you so much for helping make this happen! Incoming Kindergarten surveys will come out to ask for information about your new O'Hara student.
